

Oneida Nation of the Thames
Custom Election Code
OPO Boardroom
Tuesday, April 25, 2023
4:30pm till 6:00pm

ONEIDA COUNCIL
APPROVED

DATE: June 19, 2023

PER: A.H.

Present: Chief Todd Cornelius

Councillors: Rosalind Antone, Misty Deleary (Zoom), Brandon Doxtator, Charity Doxtator, Tekatenyes Doxtator, Ursula Doxtator, Alizabeth George-Antone, Holly Elijah, Deborah Hill

Excused: Councillor Joel Kennedy

Regrets: Councillor Gloria Doxtator

Staff: Pam Tobin, CEO

Recorder: Angie George

The purpose of the meeting was to plan on what will be presented at the community meeting on June 3, 2023.

SWAG for the community meeting:

Items suggested was slap bracelets, fans, visors, pens, and presentation folders for the community.

Councillor Brandon Doxtator – We should be supporting indigenous entrepreneurs. Gift boxes for door prizes.

Pam Tobin will notify Adrienna Antone to go ahead and order the SWAG items.

Pam went through her slide presentation.

It was suggested to reconsider the criminal check portion of the election code. Should community have their say on the 3- or 4-year term, multiple voting sights and should nominees be required to be present at the Candidates Night (page 5 of Pam's slide presentation)? Yes, plus the criminal check.

Councillor Brandon Doxtator gave 3 options:

1. Do nothing.
2. Proposed changes of the election code.
3. Nine clan position, full-time or part-time.

Would also like financial analyst.

Councillor Rosalind Antone agrees with Chief Todd Cornelius that we should not classify ourselves; next generation might not have a clan. Need to shy away from this.

Recommendation from Councillor Brandon Doxtator for staff to do the financial Analyst for 6 (Six) paid Councillors.

Councillor Rosalind Antone left the meeting at 5:30.

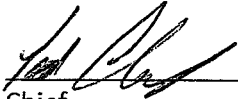

Timeline

June 5 – Mass mail out election code to the community (will also be handed out at the end of the community meeting).

July 2023 – Question and answer open house.

August 2023 – Discussion based on feedback.

Final vote in September during Oneida Fair.
